I had a bunch of edits on this; let's get it turned around to go to the Chief of Staff tomorrow, and with the Administrator on Friday.

Ed and Team:

These are excellent documents. They give a very good overview of what is ahead.

Melissa, can you turn the two one pagers (the first attached one looks better from an overview standpoint) into a send home for the Administrator? I'd like to send home with him July 9. I think that will give us enough time for him to review it.

Alex,

As discussed at our OPP General today, here is more information regarding OPP's response to the court's deadline of July 21, 2020 to respond to NRDC's petition. The enclosed PowerPoint was presented in May and one-pagers were developed. Since then the team has come up with an aggressive schedule to meet this deadline, including some one-day turnarounds for review - attached in the Excel file. There may also be a discussion at the OGC weekly regarding recent settlement negotiations with Hartz and the outcome of those discussions on the defensibility of EPA's response. Happy to chat further.
